FAQ

FAQ

How do I book a podcast recording session?

Booking is easy! Visit our [Tour](#) page to schedule a session or contact us directly to reserve your spot.

Do I need experience to record at your studio?

No experience needed! Our team handles everything from setup to production, making podcasting accessible for everyone.

Can I have have remote guests on my show via video call?

Yes! We have all the necessary equipment to do a call-in guest. We use [Riverside.fm](#) to facilitate all virtual guests.

Do i have to record in your studio?

No! We are happy to provide on-site podcast production services in your home, office, or business! Additional costs apply.

Can I bring my own equipment?

While our studio is fully equipped, you're welcome to bring personal gear if it enhances your setup.

Do you offer podcast editing services?

Yes! We provide full editing, mastering, and post-production to ensure your podcast sounds polished and professional.

How long does it take to receive my finished episode?

Turnaround time varies, but most edited episodes are delivered within 3-5 business days after recording

Can you help with podcast branding and design?

Absolutely! We assist with cover art, intros, outros, and branding to create a professional look for your podcast

Are there additional costs for video recording?

Video podcasting is included in all packages, but additional editing may require an extra fee.

Can you distribute my podcast to Spotify and Apple Podcasts?

Yes! We handle podcast distribution to major platforms, ensuring your show reaches the right audience. This an additional service.

Do you offer social media clips for marketing?

Yes! Our TikTok/Reels program creates short-form clips from your episodes to boost engagement and attract new listeners.
